COUNTY HEALTH OFFICIALS ANNOUNCE NEW WEBSITE

MEMPHIS, TN – The Shelby County Health Department (SCHD) launched a new website, www.shelbytnhealth.com, to provide residents and visitors with valuable and easy-to-find information on public health in Shelby County, TN.

“As we strive to meet the public health needs of Shelby County, we are excited to announce our new website,” said Alisa Haushalter, DNP, RN, director of the SCHD. “We believe the website will serve as a resource and will allow the public better access to information, programs and services.”

The newly designed website features easier navigation and improved functionality to access information on Environmental Health, Community Health, Health Planning and Promotion and much more.

“I appreciate the hard work of Dr. Haushalter and her staff,” said Shelby County Mayor Mark H. Luttrell, Jr. “The new website will give us faster and more efficient ways of communicating with the public.”

The new website also includes the following:

- Community Calendar
- Community Education and Resources Directory
- Google Translate Option for Five Languages
- Newsroom
- Links to Community Health and Epidemiological Reports

Go to www.shelbytnhealth.com to experience the new SCHD website.

###

Mission

To promote, protect and improve the health and environment of all Shelby County residents.
