We have started our bike trail paving thanks to a grant from County Commissioner Heidi Shafer. This Greenprint Certified project will be closed due to construction this winter.

On our Farm: During the winter we work on equipment and finalize research trials for next season.

Watch the Family Plot to see how to build a grow light this winter.

Recycle your Christmas Trees!

For those without curbside service, drop off your real tree at the ShowPlace Arena parking lot Dec 22 - Jan 9. Shelby County Public Works will turn it into mulch that will be available in the spring. Please remove all tinsel and decorations!

Looking for a speaker for your civic club? Give us a call.

Garden tip for January: Order seeds, plant and move trees and shrubs, prune broadleaf evergreen shrubs, get a soil test.
