

Shelby County Infant Mortality Reduction Initiative

CORE LEADERSHIP GROUP

Meets Monthly on the Second Thursday from 1:00 p.m. until 3 p.m.

A Core Leadership Group of local health and social service agencies, universities and faith-based organizations meets monthly at The Urban Child Institute to discuss issues, monitor progress and make decisions regarding funding for programs. Various roles of the Core Leadership Includes:

- Representative of stakeholder groups in the community
- Provides community leadership to identify local needs and prioritize resource expenditures for Infant Mortality
- Assists in providing a linkage and portal between state resources & initiatives and community needs & partnerships
- Provide guidance and assistance in the implementation, support & oversight of the Governor's Office of Children's Care Coordination-funded projects in the community
