## **SHELBY COUNTY HEALTH DEPARTMENT 814 JEFFERSON BUILDING CLOSED DUE TO WATER LINE BREAK**

SHELBY COUNTY, TN – The Shelby County Health Department’s headquarters building at 814 Jefferson Avenue is closed to the public today due to a water line break caused by nearby construction.

The Health Department’s COVID-19 response efforts continue today without interruption, with employees working off-site and from the Health Department Operations Center at 1075 Mullins Station Road. All regularly scheduled services are available at the Health Department’s six public health clinics located throughout Shelby County.

We apologize for any inconvenience. The Health Department will notify the public when services will resume at the 814 Jefferson location.

-End-

### Mission

*To promote, protect and improve the health and environment of all Shelby County residents.*
