SHELBY COUNTY TO MOVE TO PHASE 1B NEXT WEEK FOR COVID-19 VACCINATIONS

Phase includes individuals 65 and older, educators, and daycare workers

SHELBY COUNTY, TN – In alignment with the State of TN, the Shelby County Health Department will move into Phase 1b of the state's COVID-19 vaccination plan on Wednesday, February 24, 2021. This phase includes residents who are 65 years and older, teachers, and childcare staff.

The Health Department has partnered with Shelby County Schools, all municipal school districts, the Achievement School District, and Independent Schools to make teacher vaccinations available starting Wednesday, Feb. 24. Teachers within the various school systems should look out for notice of appointment availability from their respective administrative offices.

Other individuals in 1a1, 1a2, and 1b may schedule vaccination appointments through www.Shelby.Community as appointments become available.
