SHELBY COUNTY MOVES TO PHASE 2a/2b FOR COVID-19 VACCINATIONS

Phases include critical infrastructure workers

SHELBY COUNTY, TN – Pursuant to discussions and approval by state officials, effective immediately, Shelby County can now begin vaccinating individuals in Phase 2a/2b as set forth in the State of Tennessee's COVID-19 Vaccine Phases. For further information about vaccine phases and individual preventative measures, please see Health Directive 19, which can be found here: www.shelbytnhealth.com/healthdirectives.

If you qualify for either phase, please make an appointment to receive the vaccine as soon as possible. Appointment availabilities are posted at <https://covid19.memphistn.gov/> each Friday for the following week.

Those without internet access or who need assistance in setting an appointment may call 901-222-7468 (SHOT) for assistance.

-End-

Mission

To promote, protect and improve the health and environment of all Shelby County residents.
