

**KNOW NOW.
LIVE LONGER.**

REMINDER!!!! Please don't let your opportunity pass to be a part of the important events as the Memphis faith community commemorates World AIDS Day 2012.

2nd Annual World AIDS Sunday

There is still time for your church to be a part of our 2nd annual World AIDS Sunday activities. Last year we had over 115 churches participate and we want even more. Make sure to download your World AIDS Sunday Toolkit from the website <http://www.hivmemphis.org/resources/WAS> . Just as last year, our office can provide you with stickers, posters, postcards, business cards and videos (if you do not have internet access) to give out to your congregations. Please call the Ryan White office at 222-8277 to arrange getting any materials that you might need. HURRY! World AIDS Sunday is just 4 days away!
